1920.2

Mar & I are quite well a little older and a little nearer the city not made with hands &c

I was planing to go down to the farm to day did not go on account of the weather this morning the ground was frozen hard, and then snowed, and looked like winter it is a very backward season so very cold, and wet I remember one year I planted sweet corn the 20th April and came up and did well dont look
